PET WASTE

Please remember to pick up your dog's waste when walking your pet and dispose of it properly. Flushing is the best disposal method. If you leave pet waste on the ground, harmful bacteria and nutrients can wash into the storm drain and may end up in the Rio Grande.

Besides, it's unlawful to allow your animal to defecate on public or private property (other than your own) (Bernalillo County Code, Chapter Six, Section 6.56), so SCOOP YOUR POOP!
